EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Emery Tracy on September 21, 2007. During the interview, Applicant's attorney agreed to make the method claims commensurate with the apparatus claims and bring the application into full condition for allowance.

The application has been amended as follows:

In the claims:

Claim 19 has been cancelled.

Claim 16 has been amended as follows:

A method for replacing a diverter vane in a sorting machine, the method comprising:

providing a bracket having an upright support member and a mounting member secured to the upright support member;

forming protrusions on the mounting member;

forming recessed areas in the diverter vane for receiving the protrusions of the mounting member;

releasably mounting the diverter vane on at least a portion of the upright support member of the bracket;

releasably securing the diverter vane on the bracket;

forming a substantially keyhole shaped slot on the diverter vane; and

directing the upright support member into the keyhole shaped slot thereby mounting the diverter vane on the bracket; and

forming a first groove about a first end of the upright support member;

forming a second groove about a second end of the upright support member;

positioning a first clip within the first groove; and

positioning a second clip within the second groove.
